

Core Values

- ★ Develop a Biblical Worldview
- ★ Servant Leadership
- ★ Sound Biblical Doctrine
- ★ Discipleship
- ★ Loving God, Country & Others
- ★ Setting & Completing Goals
- ★ Christian Fellowship

Why TVBA?

Oftentimes in education, subjects are treated in isolation or they are compartmentalized. At Twin Valley Bible Academy, we believe that our worldview informs or molds how or what we think about other subjects such as Math, Science or Philosophy. The Bible is the standard for truth and anything contrary to it is false. The most important reason to choose Twin Valley Bible Academy is that through all subjects and disciplines, we teach students to think and live biblically (Eph.4:1) Through individualized Christian education, the Christian environment, and a solid Biblical foundation, we desire to help mold a student's mind for God to help them serve wherever they may be. There is a constant battle for the mind with ideas, and it has never been more important to think biblically and establish that Biblical foundation for life.

James Emery White states in *A Mind for God*, "Never before have the 'habits of the mind' mattered more. As Winston Churchill presciently stated in his address to Harvard University in 1943: 'The empires of the future will be the empires of the mind.'"

Twin Valley Bible Academy takes a stand and is a pioneer in education, not with arms but with God's Word as the standard to guide our ideas and worldview. Our vision is to prepare our children, the next American Generation, to conquer the world for Christ, and that starts with a solid biblical foundation.

Scholarship Opportunities

It is our hope that all Christian families would enroll their children in a Christian School. At TVBA we strive to keep tuition low. The average cost of tuition at TVBA is \$5,084.00 annually per student. Other area schools average over \$7,000 annually. In addition to that we are looking to help families cover the costs of Private education through a scholarship program sponsored by Penngift and local businesses. Scholarships are awarded to applying families. Call our administrator, Mr. Nate Mellinger for more information concerning our scholarship program.

A ministry of Twin Valley Bible Chapel

General Brochure

To prepare competent disciples of Jesus Christ with a Biblical Worldview to serve God and others through their education and reasoning processes.

Our Mission... *Twin Valley Bible Academy exists to supplement the family and provide students with an individualized Christian education, a firm Biblical worldview, and a Christian environment that will prepare them to make disciples and serve Christ in their church, community, and impact the world for Christ...*

Twin Valley Bible Academy is an educational institution that recognizes the family as the foundation on which a society is built. We seek to join in partnership with your family to raise up your children in the way they should go (Prov.22:6) Teachers work one-on-one with students to help them learn, set goals, and encourage them to pursue Christ through God's Word. Furthermore, the Bible is integrated into every subject to give students a solid Biblical foundation that helps them know right from wrong, live with eternity in mind, and glorify their Creator. We recognize the Bible as the standard of absolute truth. The environment at TVBA is one for both learning and growing. The faculty is dedicated to living lives and conducting themselves in a manner that is above reproach.

Along with PACEs, we present a number of other programs. Traditional classes are offered in junior and senior high such as Art & Music History. As we continue to grow and transition, we will continue to implement programs and classes that will cultivate a Biblical worldview with our students. Having these classes are a valuable supplement to the Accelerated Christian Education curriculum. We also create a number of opportunities for students to hone their abilities in the arts.

The hope in providing these things for the students is to first and foremost witness them becoming disciples of Jesus Christ who will have a desire to make disciples (II Tim. 2:2). We desire to show students that the Bible is God's grand narrative of redemption and that it is His living Word. Also, we desire to teach them the origins of Christianity to understand how and why things came to be.

Through the Christian environment and Biblical foundation, TVBA seeks to prepare students who want to serve Christ wherever he may lead them. *We will equip students with a Biblical worldview that they may think and live Biblically.*

Program Highlights

...At TVBA we believe there should be a purpose behind every program offered. In everything we do, we seek to honor God by equipping our youth to make them fit and useful in their future stations' (*Noah Webster, 1828*). We desire to cultivate a Biblical Worldview both inside and outside the classroom whether it be with schoolwork or extra-curricular activities...

Lower School (K-5)

Core curriculum includes Math, English, Social Studies, Science, Word Building, Bible
Preparatory Music Class
Physical Education
Weekly Chapel
Science Projects (upper elementary)
Fun Day- learn about an idea or concept all day
Exceptional Phonetics/grammar program
