

SAMPLE

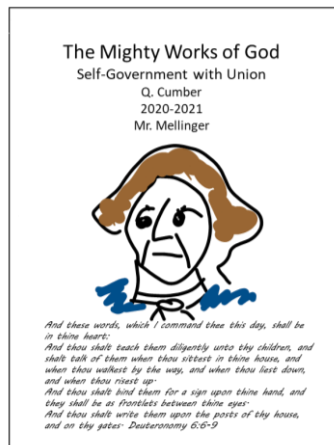

Grade History Notebook Standards

Notebook Dividers:

- **1. History Research-** Any record of information your teacher gives you whether by note taking or handouts
- **2. History Reason-** Any written record of an outcome of thinking through a question or activity
- **3. History Relate-** Any record of projects, essays pictures etc. that you created to relate classes to your mind and/or heart.
- **All of these combined create a permanent Record, created and compiled by you to have forever... your own history textbook by your own hard work!**

Title Page:

- Your title page will be inserted before your first tab
- It should include (top down)
 - The title of the Course
 - Name of Student
 - School Year
 - Teacher
 - A hand drawn picture having to do with the course (History)
 - A verse, completely written out (KJV) having to do with the subject matter

EXAMPLE

Notebook Grading Standard:

The student notebook will be graded periodically throughout the year and averaged into each quarter's reports. It is a grade for work skills and character more than for academic ability. This will weigh 20-25% of a student's final grade. The student will be graded by:

- Neatness- Margins, Penmanship, Tabs
- Accuracy- Copying, Corrections Completed
- Completeness- Preliminary Pages, Notes, Assignments
- Order- Dividers, Notes, Assignments & Tests (assessments)
