The publications include but are not limited to the school website, published material, advertisements, and inner school publications (i.e. Spring Fling, news grams, newsletters etc.)

The law requires that we obtain parental consent when seeking to use this information concerning your children.

Pursuant to law, we will not release any image or personally identifiable information without prior written consent from the student's parent or guardian. Personally identifiable information for our purposes includes only student names and a photo/image of them.

If you, as the parent or guardian wish to rescind this agreement, you may do so at any time in writing by sending a letter to the principal and such rescission will take effect upon receipt by the school.
